BTPS/2021/06

19 January 2021

Dear Parents/Guardians,

PRIMARY 3 TO 6 ASSESSMENT PLAN 2021

In line with MOE's direction to reduce school-based assessments, Bukit Timah Primary will be implementing the removal of Mid-Year Assessment for all P3 students and P5 students in 2021. This is to enable students to have more time and space in creating their learning experiences and nurturing in them a stronger intrinsic motivation to learn. There will be weighted assessments conducted during the terms to enable teachers to assess their students' learning and provide them with timely feedback for improvement.

For the Primary 6 students, in view of their preparation for the Primary School Leaving Examination (PSLE), the Continual Assessment will be conducted to serve as a timely assessment for the students' learning before the end of Term 1.

The details of the assessment plan for 2021 can be found in the attached document. Alternatively, you can also access the assessment plan through the school website. The respective subject teachers will update you on the assessment details for each term nearer to date.

Thank you.

Yours faithfully,

Mdm Teresa Kelly Len
Principal
