Assisting your child in using online systems by Ministry of Education

Adaptive Learner, Empathetic Leader and Future-Ready Citizen

Two main online systems

MOE provides two systems to support and enhance students' learning through technology. These systems can be accessed both in school and at home.

The first is the Singapore Student Learning Space (**SLS**).
The second is the MOE Identity Management System (**MIMS**).

These slides will guide you on how to help your child set up and use these systems.

What is SLS?

The Singapore Student Learning Space (SLS) is MOE's main online learning platform for students. It provides digital learning resources and tools that are aligned to the school curriculum.

Students can use SLS to learn anytime and anywhere, both in school and at home. It supports self-directed learning, personalised learning, and collaboration with classmates. Students can learn at their own pace using the platform.

Assisting your child: SLS

There are two ways for students to log in to SLS:

- Using their SLS username
- Using their MIMS account (ending with @students.edu.sg)

Both sets of login details are provided in the BT Kit.

The SLS website is: <https://learning.moe.edu.sg>

For first-time login:

Students must use their **SLS username** to activate their account.

After activation:

Students are encouraged to log in using their MIMS account (ending with @students.edu.sg) for future access.

What is MIMS?

MIMS is a digital identity system for all students and staff within the MOE's network. It provides single sign-on access to various MOE applications and resources, including:

1. Student Learning Space (SLS)
2. Student iCON email accounts (ending with @students.edu.sg)
3. Login to school laptops and the school Wi-Fi network
4. Microsoft Office 365 ProPlus Apps

Assisting your child: MIMS

When students receive their MIMS account for the first time, they need to:

- Log in
- Change their password
- Set up security questions

The website is: <https://idp.mims.moe.gov.sg/>

For Primary 1 students, please keep the new password simple, as they are still learning to use the keyboard.

Assisting your child: MIMS

Password requirements:

- Exactly 8 characters
- No symbols
- Must include at least:
 - 1 uppercase letter
 - 1 lowercase letter
 - 1 number

Assisting your child: MIMS

To avoid confusion, please try not to use “l” (**lowercase L**) or “i” (**lowercase i**) in the password, as they can look similar. If these letters are used, please make sure your child knows their exact position on the keyboard.

Please write down the security questions and answers, as they are needed to reset the MIMS account if your child forgets the password. It is helpful to practise logging in to MIMS regularly so that your child becomes familiar with the process.

**Thank you for partnering with us
to nurture the children for their future.**

GETTING STARTED WITH SINGAPORE STUDENT LEARNING SPACE

Instructions for Students

SYSTEM REQUIREMENTS

1. The Singapore Student Learning Space (SLS) is accessible through the internet browsers on Windows PC, Mac, tablets and mobile devices.

INITIAL LOGIN

2. SLS can be accessed from <https://vle.learning.moe.edu.sg/>. Click on **Login with SLS** to go to the SLS login page (refer to **Fig. 1a**) to activate your SLS account for new SLS users logging into SLS for the first time.

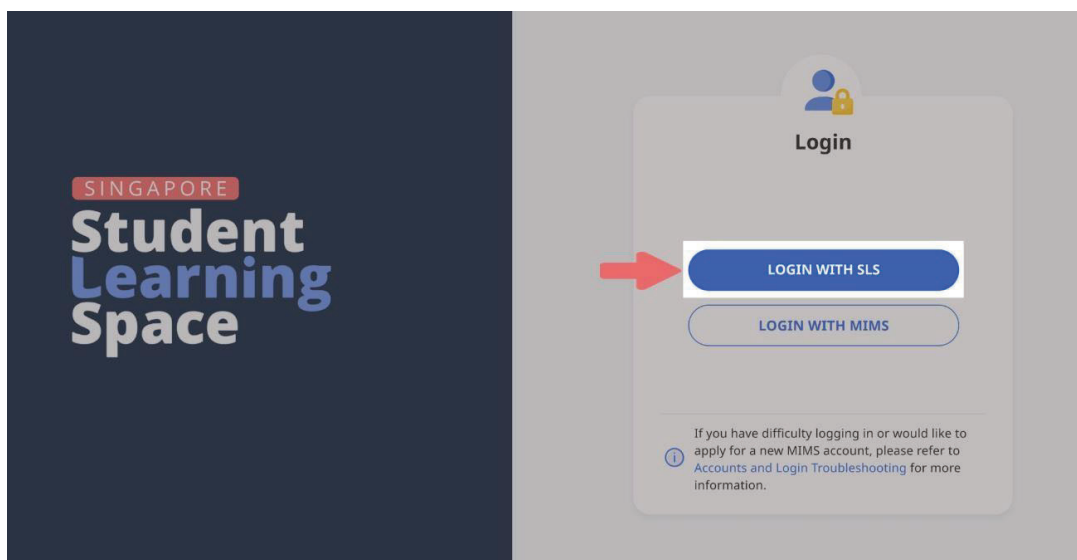

Fig. 1a: Main Login Page

3. The SLS username can be found in the cover letter while the password will be communicated to you separately.
4. During your **FIRST** login, you will be prompted to change your SLS password (refer to **Fig. 1b**). You will need to key in your new password twice. Please note that the password must contain alphanumeric characters and is **case-sensitive**. It should:
 - a. be **12 characters or longer**;
 - b. contain **at least 1 letter and 1 digit**; and
 - c. be **changed every year** (you will be directed to the change password page automatically).

Welcome to Student Learning Space!

This is your first login, please...

PASSWORD RESET

7. If you have forgotten your SLS password, you can reset it via the following methods:
 - a. password reset through email,
 - b. password reset by answering security questions,
 - c. contact your School-based Helpline, or
 - d. contact the SLS Helpdesk.

Password Reset through Email

8. Perform the following steps to reset your password through email:
 - a. Click the **Forgot Password** link at the SLS login page (refer to **Fig. 2a**).

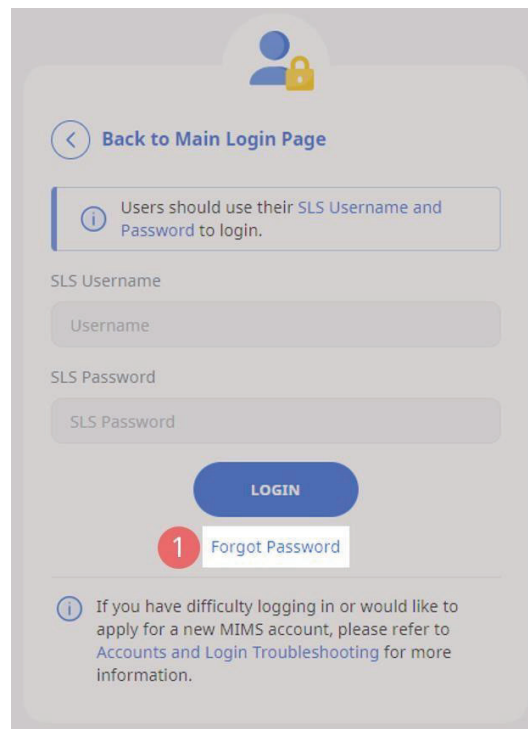

The image is a screenshot of a web application's login interface. At the top, there is a header with a user icon and a lock icon. Below this is a navigation bar with a back arrow and the text 'Back to Main Login Page'. A message box with an information icon states: 'Users should use their SLS Username and Password to login.' Below this are two input fields: 'SLS Username' with a placeholder 'Username' and 'SLS Password' with a placeholder 'SLS Password'. A blue 'LOGIN' button is positioned below the password field. A red circle with the number '1' highlights a link labeled 'Forgot Password'. At the bottom, a message box with an information icon states: 'If you have difficulty logging in or would like to apply for a new MIMS account, please refer to Accounts and Login Troubleshooting for more information.'

Fig. 2a: Forgot Password Link

- b. Enter your username and click **Submit** (refer to **Fig. 2b**).
